

# Application Form 2018

At this paper of 2018, appear either sections or introductory section directions. During the selection procedure for candidates for the introduction at the Department of University and Technological Educational Institute, the provisions for admission to the departments of Universities and Technological Educational Institutions respectively are applied accordingly.

1. In the **Special Lesson column**, you can see which or what special lessons or particularities each section /introductory direction.

2. In the **Section-Introductory Direction column** you can read the full name of the section – of the introductory direction.

**Example:** ID 126: SOCIOLOGY (ATHENS), the name of the department is simply displayed, with no introductory directions.

- a code with a composite name, using a dash (-), corresponds to an introductory section direction, with a separate number of admissions and a different curriculum.

**Example:** CODE. 604: BUSINESS ADMINISTRATION (PIRAEUS) - MANAGEMENT OF TOURIST ENTERPRISES AND HOSPITALITY ENTERPRISES, here is presented by the BUSINESS ADMINISTRATION (PIRAEUS) department, the introductory direction of the TOURIST BUSINESS AND HOSPITALITY MANAGEMENT DIRECTORATE.

**Example:** CODE. 715: BUSINESS ADMINISTRATION (PIRAEUS) – BUSINESS here is presented by the department of BUSINESS ADMINISTRATION (PIRAEUS) the introductory direction of the BUSINESS ADMINISTRATION department. The code 604 is different from the code 715, since they are two different introductory directions

- MANAGEMENT OF TOURIST BUSINESSES AND HOSPITALISTS

- BUSINESS ADMINISTRATION

Of the department of BUSINESS ADMINISTRATION of TEI of PIRAEUS. At the paper you can only select 604 or only 715 or both as two independent preferences.

3. In the column "FOUNDATION" is mentioned the University or TEI, to which the section / introductory direction belongs to. To facilitate your preferences, the previous column refers to the city in which the department/ introductory direction is located.

**Example:** CODE. 739: FOOD TECHNOLOGY (KARDITSA) of TEI of Thessaly and CODE. 565: ACCOUNTING AND FINANCIAL (LARISSA) TEI of Thessaly.

The above two parts belong to the same Institution (TEI of Thessaly), but are based in different cities, which are clearly mentioned.

4. In the column "ID" there are for each section / direction of introduction the codes which for each are different and will be used by the Ministry of Education for the processing of the MD.

5. In the column "preferences" , you will fill in your preferences for the sections or the introductory directions you want by putting first the one you prefer best.

For example: If you declare 20 preferences, the number 1 indicates that this is the first segment you want to enter and the number 20 indicates that this is the last section you want to enter. Of course in your preferences you can include sections and / or introductory directions as you wish.
